# Discussion findings

## Lightning talks presenting our OSSD (Open Space-Style Discussion) Sessions

Thanks to the amazing attendees who came to a conference and were told in the morning that not only did we have to carve out what our industry means when we talk about observability, but also throw together a slide deck about it by the end of the day. This is what we made together.

*SEE THE BIG PICTURE*

LOSS OF CONTROL

A woman is shown from the chest up, sitting in the driver's seat of a car. She has a shocked or terrified expression, with her mouth wide open and her hands clasped together in front of her. The background is a blurred green field, suggesting the car is moving. The text "I'M ABOUT TO DIE!" is overlaid on the image in a bold, white, sans-serif font with a black outline, slanted upwards from left to right.
